

Mrs. Helena Bosler is a 1999 graduate of U of D Mercy with a Bachelor of Arts in Legal Administration and a teaching certificate in Language Arts. In 2015, after teaching 14 years in public school, she decided to teach in a Catholic school. This change allowed her to teach academics as well as her Christian beliefs and values.

Mrs. Bosler is bilingual as she is originally from the Czech Republic.

Her highlighted accomplishments include tutoring an immigrant in order for her to pass the English Proficiency Writing Exam and write grammatically correct nursing notes so she could graduate from Wayne State University's nursing school, initiating/overseeing a leveled reading program at an alternative high school for the East Detroit School District, coordinating that alternative school's career day tours to technical academies and Macomb Community College, and securing a large donor contribution for a Catholic school scholarship fund.

Her goals for middle school Language Arts and Religion class at Christ the King include using hands-on learning whenever possible, creative online activities/lesson plans, posing higher level questions to ensure critical and deep thinking, and exposing students to different genres in reading and writing.

She and her husband are practicing Catholics at St. Renee Goupil Catholic Church. She enjoys spending time with her family and friends. In her spare time she enjoys traveling, golfing and swimming. Mrs. Bosler has been teaching middle school at CK since 2020.
