

# CHRIST THE KING CATHOLIC SCHOOL

Peace to you in God our Father through our Lord Jesus Christ, who is our King!

As we approach the end of 2023, we want to express our heartfelt gratitude for your ongoing support of Christ the King School in Northwest Detroit.

Our mission at Christ the King School is to provide an enriching, engaging, broad-based educational experience for our students in an environment of love, respect, faith and security. This year we are blessed with many amazing, qualified teachers. Our new principal has brought a positive energy and focus to the school. A good education is the stepping stone to a life of purpose and fulfillment. Christ the King School children are worthy of your support.

Your continued partnership is essential to sustain and expand our ambitious plans and initiatives to further our mission. Our goal for this year's Annual Appeal is to raise \$100,000.

## **We need resources in three main areas:**

**First**, we want to expand our students' connection with the bigger world. Middle schoolers take part in Religious Diversity Journeys. Students benefit from field trips to museums and other places that require transportation.

**Second**, due to the age of the school, we need: energy-efficient windows, secure classroom doors, entrance renovations, new lockers, library upgrades, bathroom improvements, painting, and better signage. The children would enjoy new playground equipment.

**Third**, our parents need tuition assistance. Your gift to offset the cost of education would open the doors for many more students.

We want to thank you again for your investment in Christ the King School. Your belief in our work inspires us to continue striving for excellence and push the boundaries of what is possible for our children.

If you have any questions, would like more information, wish to discuss other ways to support our school, or to volunteer, please do not hesitate to reach out to us. Thank you for being an essential part of our mission. Wishing you and your loved ones a joyous holiday season and a prosperous 2024! An abundant blessing upon you and your families,
